Since certain medical conditions and medications can cause depression or make depression worse, anyone with symptoms should discuss this with a medical doctor for further evaluation.

Self-Test

ASS HOLES

Which statements are generally true about how you've been feeling and thinking lately?

- I don't have the desire to do much of anything.
- I don't get the same enjoyment from the things I like to do.
- I feel withdrawn and isolated.
- I cry or often feel like crying.
