Los Angeles City,

As it regards to the Baldwin Hills Crenshaw area, Please receive this late, but serious and dedicated comments:

Please build with Low income residents in mind;

Please build with clean alternatives in mind;

Set aside some apartments and Condos with low income residents in mind;

Please train law enforcement to respect people of color especially, they are here to serve the residents...all nationalities;

Please build with cultural pride in mind...all cultures.

Please build with health and safety in mind for the young and seniors regarding the train use;

Please build with healthy body, healthy mind, and food options in mind (Continue bfit Yoga, Zumba, and Cardio Kick);

Please build with Community Garden Space in mind (First Come, First Served) or rotating plot use...5 year limit);

Please build with new Senior Center in mind (Oasis update);

Please build with Open Spaces in mind; and

Please build with quality Community Calendar in mind for all ages.

Thanks in advance.
