Dear Councilman,

I implore you to revisit recycle LA

My costs of garbage pick up have risen 3fold and the service is lacking.

Many missed pick ups etc

I want you to know that this was NOT a good idea and you must revisit this program

Also when you figure out the rate increases for tenants this year please remember that utilities and trash have both risen much higher than inflation.

I appreciate any help in this area of trash that you can provide as it is a burden that only landlords are stuck with.

Thanks
