Ms. Cheng,

As you know Council took action on the above Council File yesterday. The action, however, did not include presentation of the zone change ordinance. We understand that today may be the last day for the Council to act on the above Council File. We would be amenable to an extension of 60 days to allow Council to act on the zone change ordinance. Pursuant to LAMC section 12.32.C.7, we submit this written request for an extension of time.

Best,

Mike
