Room 435, City Hall

Dear Councilmember Krekorian:

At its meeting held April 27, 2019, the Transportation Committee considered a report from the Bureaus of Engineering and Street Services and the Los Angeles Department of Transportation dated January 31, 2019, relative to the project budget for the Reseda Boulevard Street Reconstruction Vision Zero Program. At that time, Committee recommended that Council approve their report, as amended to:

1. DIRECT the Bureau of Engineering to:
  - a. Change the program name to the Complete Streets Program.
  - b. Report with recommendations on a standardized project development process, including a complete streets checklist and community outreach guidelines.
  
2. DIRECT the City Administrative Officer to report with potential supplemental funding sources for future projects to support the program's mobility and sustainability benefits.

Pursuant to the multiple referral of this matter, the subject Council file is hereby transmitted to your Budget and Finance Committee for consideration.

Sincerely,

John White, Legislative Assistant  
Transportation Committee
