Summary:

At a regular meeting held on September 5, 2018, the Homelessness and Poverty Committee considered a CAO report regarding recommendations for the CHS enhancement and timeframe. Staff from the CAO and the City Homeless Coordinator provided the Committee an overview of the report. Councilmember Huizar commented about going beyond the status quo and the typical norm, and to evaluate over-concentration strategies. Councilmember Bonin asked in the report back, to consider other areas of intense concentration, have accountability for sub-populations, have annual goals, and to obtain input from people on the street. After an opportunity for public comment, the Committee recommended to approve the recommendations in the CAO report, along with the recommendations from the Committee members. This matter is now submitted to the Council for consideration.

Respectfully Submitted,

HOMELESSNESS AND POVERTY COMMITTEE
