Sec. 10. **URGENCY CLAUSE.** The City Council finds and declares that this ordinance is required for the immediate protection of the public peace, health, and safety for the following reasons: The continued processing of building and demolition permits without the protections of this ordinance will result in the loss of irreplaceable, historically significant residential structures and result in the underutilization of commercial and industrial zoned areas. The City of Los Angeles is already in the midst of a housing and employment crisis; any further delay in this ordinance will harm the City's efforts to increase the construction of new housing units and the creation of new jobs that are consistent with the goals, policies, priorities and objectives of the South Los Angeles Community Plan Update. In order to address the threat to the public peace, health and safety of the residents, property owners, and visitors in this community plan area, there must be an increase in the number of land use protections, programs and incentives available to respond to the development pressures and escalating land use conflicts. For all these reasons, the South Los Angeles CPIO

Ordinance shall become effective upon publication pursuant to Section 253 of the Los Angeles City Charter.

Sec. 11. **SEVERABILITY.** If any portion, subsection, sentence, clause or phrase of this ordinance is for any reason held by a court of competent jurisdiction to be invalid, such a decision shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance and each portion or subsection, sentence, clause and phrase herein, irrespective of the fact that any one or more portions, subsections, sentences, clauses or phrases be declared invalid.

Sec. 12. The City Clerk shall certify to the passage of this ordinance and have it published in accordance with Council policy, either in a daily newspaper circulated in the City of Los Angeles or by posting for ten days in three public places in the City of Los Angeles: one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall; one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall East; and one copy on the bulletin board located at the Temple Street entrance to the Los Angeles County Hall of Records.
