Dear City Clerk:

I write to submit into the record in the ENV-2016-2415-CE case the following documents that support the claim of our client, Jean-Pierre Dorléac, the appellant in the case, that the project in question at 6825 West Mulholland Drive, is a part of an important wildlife corridor in the Santa Monica Mountains.

Attached Documents:

1. Excerpts from Missing Linkages Study, Crooks, Sanjayan, Spitler, Hunter and Penrod, November 2, 2000
2. National Park Service Web page on Lions in the Santa Monica Mountains (accessed January 11, 2018)
3. Los Angeles Times article "L.A. seeks to protect wildlife corridor in Santa Monica Mountains," April 22, 2016
4. "Large Mammal Movement in the Eastern Santa Monica Mountains," Albano, Bitcon, Condamoor, Lao, Lopez, Sokolovsky, and Vicencio, June 2012
