Comments for Public Posting: I'm a stakeholder in the Hollywood Hills and I can't tell you how many times I have had a close call with a tour bus. These drivers have no regard for our streets or our people in these streets. They have pulled out in front of me, passed me on dangerous curves, stopped abruptly in the middle of the street and been generally rude. I listen to them as they lie about who owns which house and the escapades that they say goes on here. Please make them stop invading our lives. Thank you. Justine
