

ORDINANCE NO. 185601

An ordinance adding Section 115.03 to Article 5 of Chapter XI of the Los Angeles Municipal Code to prohibit sightseeing tour bus operators from using sound amplifying equipment on unenclosed tour buses when operating in the City of Los Angeles, and amending Section 111.05 of the Code to authorize the Police Department to enforce Section 115.03.

WHEREAS, the City of Los Angeles, pursuant to the police powers delegated to it by the California Constitution, has the authority to enact laws which promote the public health, safety and general welfare of its residents;

WHEREAS, there are a number of sightseeing tour bus operators in the City of Los Angeles who use sound amplifying equipment on unenclosed tour buses to communicate with their passengers. This amplified sound at times disturbs people in their homes, at their places of work, and on the streets along sightseeing bus routes;

WHEREAS, the City has received complaints from individuals, including in residential neighborhoods, regarding the noise emanating from unenclosed tour buses that use sound amplifying equipment;

WHEREAS, unwanted, loud, excessive, and avoidable noise emanating from unenclosed tour buses operating near public and private property disturbs the public health and general welfare of the residents of the City, and threatens residents' quiet enjoyment of property;

WHEREAS, California Vehicle Code Section 21118, which took effect on January 1, 2018, allows local jurisdictions to adopt rules and regulations to prohibit the use of loudspeakers or public address systems by an unenclosed tour bus, and instead require the use of headphones or similar devices by passengers for any information or presentation provided for the passengers; and

WHEREAS, the City seeks to encourage operators of sightseeing tour buses operating in the City to provide audible information or presentations to passengers using sound reduction technology, such as individual headphones or headsets, designed for and capable of communicating information to passengers in a manner that is audible only to the individual listener.

NOW, THEREFORE,

**THE PEOPLE OF THE CITY OF LOS ANGELES
DO ORDAIN AS FOLLOWS:**
