Summary: Agenda item 10,

- The NoHo Neighborhood Council supports Mayor Eric Garcetti's call to create a safer more common sense approach to motorized scooter companies.
- We suggest such businesses partner with commercial grocery stores or other businesses with parking lots or to designate areas on a public sidewalk via City of Los Angeles Dept. of City Planning.
- The abandonment of these motorized vehicles in any place at any time is a nuisance in our communities and dangerous for our stakeholders.
- We welcome these new travel options in our city with open arms, however it is vital that the companies that profit from such vehicles must work with the city of Los Angeles to ensure they are properly managed without causing a nuisance or becoming dangerous on our public sidewalks.
