Dear Mayor and City Councilmembers,

Thank you for your ongoing leadership and thoughtful attention to the many issues facing our city, especially reducing traffic by allowing more multimodal transportation options.

I want to let you know that I support shared electric scooters. These innovative new modes of transportation are affordable and environmentally-friendly.

As we plan for a more sustainable future, we need to embrace innovation that makes our city greener and our streets less crowded with bumper-to-bumper car traffic.

Thank you,
Elena Chimtchenko

Dear Mayor and City Councilmembers,

Thank you for your ongoing leadership and thoughtful attention to the many issues facing our city, especially reducing traffic by allowing more multimodal transportation options.

I want to let you know that I support shared electric scooters. These innovative new modes of transportation are affordable and environmentally-friendly.

As we plan for a more sustainable future, we need to embrace innovation that makes our city greener and our streets less crowded with bumper-to-bumper car traffic.

Thank you,
Charles Haggarty

Dear Mayor and City Councilmembers,

Thank you for your ongoing leadership and thoughtful attention to the many issues facing our city, especially reducing traffic by allowing more multimodal transportation options.

I want to let you know that I support shared electric scooters. These innovative new modes of transportation are affordable and environmentally-friendly.

As we plan for a more sustainable future, we need to embrace innovation that makes our city greener and our streets less crowded with bumper-to-bumper car traffic.

Thank you,
Irina

Dear Mayor and City Councilmembers,

Thank you for your ongoing leadership and thoughtful attention to the many issues facing our city, especially reducing traffic by allowing more multimodal transportation options.

I want to let you know that I support shared electric scooters. These innovative new modes of transportation are affordable and environmentally-friendly.

As we plan for a more sustainable future, we need to embrace innovation that makes our city greener and our streets less crowded with bumper-to-bumper car traffic.

Thank you,
Craig Brill

As we plan for a more sustainable future, we need to embrace innovation that makes our city greener and our streets less crowded with bumper-to-bumper car traffic.

I know some locals are angry about scooters being everywhere but this is backwards thinking. We're fine with the millions of cars in this city which take up 10 times more space. These are a sustainable option to get around. Driving is not. We should ban cars. Not these eco friendly alternatives. Do not make this city take a step backward because of a few vocal opponents. Stand up to NIMBYism. That's exactly what this is. We must progress in order to grow as a city.

Thank you,
Kirk Johnson

Dear Mayor and City Council members,

Thank you for your ongoing leadership and thoughtful attention to the many issues facing our city, particularly reducing traffic by allowing more multi-modal transportation options.

I want to let you know that I support shared electric scooters. These innovative new modes of transportation are affordable and environmentally-friendly.

As we plan for a more sustainable future, we need to embrace innovation that makes our city greener and our streets less crowded with bumper-to-bumper car traffic.

In particular, I support policies that will allow companies like Bird and Lime to exist.

Thank you,
Chris

Dear Mayor and City Councilmembers,

Thank you for your ongoing leadership and thoughtful attention to the many issues facing our city, especially reducing traffic by allowing more multimodal transportation options.

I want to let you know that I support shared electric scooters. These innovative new modes of transportation are affordable and environmentally-friendly.

As we plan for a more sustainable future, we need to embrace innovation that makes our city greener and our streets less crowded with bumper-to-bumper car traffic.

Thank you,
Rossia Johnson

Dear Mayor and City Councilmembers,

Thank you for your ongoing leadership and thoughtful attention to the many issues facing our city, especially reducing traffic by allowing more multimodal transportation options.

I want to let you know that I support shared electric scooters. These innovative new modes of transportation are affordable and environmentally-friendly.

As we plan for a more sustainable future, we need to embrace innovation that makes our city greener and our streets less crowded with bumper-to-bumper car traffic.

Thank you,
Myles Anderson

Dear Mayor and City Councilmembers,

Thank you for your ongoing leadership and thoughtful attention to the many issues facing our city, especially reducing traffic by allowing more multimodal transportation options.

I want to let you know that I support shared electric scooters. These innovative new modes of transportation are affordable and environmentally-friendly.

As we plan for a more sustainable future, we need to embrace innovation that makes our city greener and our streets less crowded with bumper-to-bumper car traffic.

Thank you,
Emmitt Rivers

Dear Mayor and City Councilmembers,

Thank you for your ongoing leadership and thoughtful attention to the many issues facing our city, especially reducing traffic by allowing more multimodal transportation options.

Sc I want to dlet you know that I support shared electric scooters. These innovative new modes of transportation are affordable and environmentally-friendly.

As we plan for a more sustainable future, we need to embrace innovation that makes our city greener and our streets less crowded with bumper-to-bumper car traffic.

Thank you,
Nicholas Howell
