Summary:

On October 25, 2017, your Committee considered a Resolution (Krekorian - Price) relative to the establishment of parking restrictions along the following street segments in Council District Two:

- a. Burbank Boulevard between Fulton Avenue and Whitsett Avenue
- b. Sherman Road westerly from Radford Avenue to the dead end
- c. Case Avenue/Gault Street/Fair Avenue cul-de-sac south of Sherman Way

According to the Resolution, there is an increased problem with oversized vehicles that are parked overnight on various streets surrounding residential areas and adjacent to commercial businesses, which constrict vehicular and bicycle travel lanes, thereby creating dangerous roadway conditions. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Resolution as detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
