Summary: At the November meeting of the Board of Neighborhood Council Valley Village, the Board voted to support the City Council effort to increase the speed limit on Chandler between Vineland and Coldwater Canyon and on Whitsett Avenue between Roscoe Boulevard and Riverside Drive. The Board asks that the City Council and DOT also commit to enforcement using radar equipment on these two sections of streets. We further ask that the City Council require a regular mechanism of reporting enforcement activities to NCVV, at least on a quarterly basis. We will work with NoHoPD and Valley Traffic to make this reporting possible.
