Zina H. Cheng,

To whom it may concern -

I support the nomination. Please help preserve Hollywood's unique history by designating 106 S. Kings Road a Historic Cultural Monument. Stop the destruction of truly affordable Rent Stabilized Housing and more displacement of tenants that have helped build the community.

Thank you,

Shauna Johnson

Zina H. Cheng,

Dear Councilmember,

I support the nomination.

I urge you to support the designation of 106 S Kings Road as a Historic Cultural Monument.

Preservation of Aidlin-Rees Apartments/Rudolf Ising Residence is a deserving honor for animation pioneer Rudolf Ising.

The list of Rudolf Ising's accomplishments is long. He was one of Walt Disney's first employees, was nominated for six Academy Awards, directed and produced the first sync sound cartoon, founded Warner Brothers animation, founded MGM animation, created "Looney Tunes", and his characters were the first to utter the words "That's All Folks!".

During the years he lived at 106 S Kings Road he accomplished some of his most important work, including directing and producing the first non-Disney film to win an Oscar.

This lovely Streamline Moderne building still provides affordable homes to the working people who keep the entertainment industry located in Los Angeles - certainly a fitting tribute to Rudolf Ising.

Sincerely,

Kimberly Caruso

Zina H. Cheng,

Dear Councilmember,

Streamline Moderne is one of the architectural styles most closely associated with Los Angeles. More of our landmark properties are threatened on a continual basis.

I urge you to support the designation of 106 S Kings Road as a Historic Cultural Monument.

Zina H. Cheng,

Dear Councilmember,

I was shocked to hear about yet another attempt by private, corporate interests to destroy a piece of our Los Angeles history while also displacing longtime residents and families.

Since 2006, Wiseman Residential have demolished over 300 rent-stabilized apartments and are trying to continue their devastating and unethical practices at 106 S Kings Road in an historic neighborhood of Los Angeles.

I urge you to support the designation of 106 S Kings Road as a Historic Cultural Monument.

Please do not cave to cold-hearted, corporate development interests. Along with my friends, family and co-workers, I will continue to fight to preserve this historic residence, as well as remember those of you on the council who sold our communities out to the highest bidder come election day!

Thank you for doing the right thing and honoring the community values of your fellow Angelenos.

Zina H. Cheng,

Dear Sirs, as a location scout in the Hollywood film industry I see the loss of the original Hollywood by rampant development every day. Please support the protection of this building in order to insure we actually have some of the Hollywood dream that people all over the world travel here to see. Sincerely, William Regan
