Summary:

On November 8, 2017, your Committee considered a Resolution (Blumenfield - Cedillo) relative to the establishment of parking restrictions on both sides of the following street segments in Council District Three:

- a. Eton Avenue between Gault Street and Basset Street
- b. Deering Avenue between Hart Street and Basset Street
- c. Hart Street between Eton Avenue and Deering Avenue
- d. Basset Street between Eton Avenue and Milwood Avenue

According to the Resolution, an area in Canoga Park has become a popular location for the parking and storage of large vehicles, which results in fewer parking spaces for residents and businesses, as well as limited visibility for drivers. After consideration and having provided an

opportunity for public comment, the Committee moved to recommend approval of the Resolution as detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
