

ENERGY, CLIMATE CHANGE AND ENVIRONMENTAL JUSTICE COMMITTEE REPORT relative to wet weather preparedness and response efforts for the Fiscal Year (FY) 2017-18 rainy season.

Recommendation for Council action:

DIRECT the Bureau of Sanitation (BOS) to:

- a. Track its expenses for overtime necessary for staff to respond to emergency responses and prepare an update to City Council.
- b. Track its use of contractual services for emergency repairs during severe storm events and prepare an update to City Council for additional appropriation.
- c. Evaluate the impacts of the upcoming wet weather season on the existing flood protection infrastructure; identify capital needs for infrastructure improvements and repairs; and, request additional appropriation to protect the public health and safety.

Fiscal Impact Statement: None submitted by the BOS. Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

Summary:

At a meeting held on January 16, 2018, the Energy, Climate Change and Environmental Justice Committee considered a report from the BOS relative to wet weather preparedness and response efforts for FY 2017-18 rainy season. During the discussion of this item, the BOS representative provided an overview of said report and responded to related questions from the Committee members.

After providing an opportunity for public comment, the Committee recommended that Council approve the recommendations contained in the BOS report as detailed above. This matter is now submitted to Council for its consideration.

  
Respectfully Submitted,
