

ENERGY, CLIMATE CHANGE AND ENVIRONMENTAL JUSTICE COMMITTEE REPORT
relative to the identification and evaluation of all urban oil drilling districts and their associated ordinances within Council District One, and related actions.

Recommendations for Council action, pursuant to Motion (Cedillo - Price):

- 1. REQUEST the Petroleum Administrator, with the assistance of the Department of City Planning and the City Attorney, to report in 30 days on the identification and evaluation of all urban oil drilling districts and their associated ordinances within Council District One, consistent with Los Angeles Municipal Code Section 13.01 criteria.
- 2. DIRECT the Petroleum Administrator, and the relevant departments, to report on the steps necessary to terminate the identified inactive oil drilling districts.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

Summary:

At a meeting held on December 5, 2017, the Energy, Climate Change and Environmental Justice Committee considered Motion (Cedillo - Price) relative to the identification and evaluation of all urban oil drilling districts and their associated ordinances within Council District One, and related actions. The Motion is attached to the Council file. After providing an opportunity for public comment, the Committee recommended that Council concur with the Board action as detailed above. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

ENERGY, CLIMATE CHANGE AND ENVIRONMENTAL JUSTICE COMMITTEE
