Summary: The Sylmar Neighborhood Council (SNC) supports the establishment of a Task Force to curb the use, sale possession and discharge of fireworks within the City of Los Angeles. Though strides have been made to curb the sale of illegal fireworks within LAPD's Mission area, more needs to be done. Many of the neighborhoods throughout our community suffered through fireworks displays which were as bad or worse as those in previous years during the time period before, during and after the 4th of July holiday.

We support all reasonable and enhanced enforcement strategies, including but not limited to increasing the fines and penalties related to the use, possession, sale or discharge of fireworks within City limits.
