Honorable Members,

RE: Council File: 17-1421

I support a Task Force to reduce use of illegal fireworks and bring awareness to this public safety issue. Prevention is important for the overall safety of our communities. The reduction of firework usage will not only generate safer communities, it will also prevent past traumatic stress disorders due to firework noise. Our honorable veterans deserve to live in an illegal firework-free community.

I would like to especially thank Los Angeles Police and Fire Departments for their ongoing efforts in improving the safety of the community.

If you have any questions, please do not hesitate to contact my office at (818)376-4246.

Sincerely,
