Summary: The United Neighborhoods Neighborhood Council (UNNC) voted 15 yes, 0 no, and 1 abstention at its March 1, 2018 meeting of the Governing Board to request changes to City Council's proposed Permanent Supportive Housing (PSH) Ordinance, CF 17-1422, in order to protect future residents of such housing projects from the dangers of hazardous sites.

We support streamlining approval of PSH projects on clean sites, but further protections at environmentally contaminated sites are necessary. Homeless and low income members of our community deserve environmental protection the same as everyone else.
