Re: Objection to City Council File 17-1422
April 11, 2018 City Council Agenda Item 47

Honorable Councilmembers:

This firm and the undersigned represent El Mercado de Los Angeles and Mr. Tony Rosado in opposition to the proposed adoption of the subject ordinance. For all of the reasons stated by other objectors, including but not limited to the comment letters from Channel Law Group for Oxford Triangle Association and Venice Vision, and Advocates for the Environment, which objections are incorporated herein by this reference, the City's adoption of the ordinance or of a modified ordinance that does not remedy all of the defects identified in the above-referenced letters, would violate the law.

Very truly yours,

ROBERT P. SILVERSTEIN
