Summary: Title: AB 186 (Eggman) / Supervised Substance Consumption Program Position: Support
Summary: The LFNC supports city action to work towards state sanctioning of LA city and county supervised substance consumption sites. Supervised substance consumption sites are proven to dramatically reduce overdose deaths, control the spread of communicable diseases, and increase access to addiction treatment and counseling. The State of California and City of Los Angeles should act to protect our most vulnerable citizens with safe, smart, innovative drug policy.
