SUMMARY

In a report to the Rules, Elections, and Intergovernmental Relations Committee dated February
5, 2018, the CLA discusses Resolution (Rodriguez – Huizar) regarding the Proposition 84 grant
performance period for the West Lakeside Street Park project. Resolution states that
Proposition 84 funded the Statewide Park Development and Community Revitalization program
for the creation of new park and recreation facilities in the most underserved communities. The
Department of Recreation and Parks was awarded a competitive grant by the State Office of
Grants and Local Services for the West Lakeside Street Park project. The scope of the project
includes the construction of a new amphitheater, new soccer field, restroom, parking lot, picnic
area, and landscaping. Resolution goes on to state that due to development delays the park will
not be completed by the current grant deadline. The Department of Recreation and Parks
requests the State approve a performance period extension from June 30, 2018 to June 30,
2020.

Resolution recommends that Council support the proposed extension of the grant performance
period. The CLA concurs. According to the CLA, extending the grant performance period to
June 30, 2020, will permit the City to complete the project and comply with all Proposition 84
grant closeout requirements.

At its special meeting held February 7, 2018, the Rules, Elections, and Intergovernmental
Relations Committee recommended that Council adopt the accompanying Resolution, as
recommended by the CLA.

Respectfully Submitted,

Rules, Elections, and Intergovernmental Relations Committee
