Title: Immigrant Family Reunification / United States Justice Department / Zero-Tolerance Memorandum

Position: Support

Summary: The mistreatment of immigrant families under the current federal administration is a horrific abuse of human rights.

The people of Los Feliz stand with the City of Los Angeles and the State of California to oppose vehemently the policy of family separation.

The Los Angeles metropolitan area has over 1 million undocumented residents, over 10% of all such persons in the country. We also have the 3rd highest GDP of any city in the world.

California has over 25% of the entire undocumented population of the United States. Our GDP is 60% larger than any other state in the union, and would independently be considered the 5th largest economy in the world.

Immigrants contribute positively to this country, this state, this city, and this neighborhood.

We support wholeheartedly this resolution, and any and all legislative and legal actions that would expedite the reunification of immigrant families and rectification of this appalling situation.
