SUMMARY

On October 2, 2018, Council considered Resolution (Wesson - Price) relative to establishing oversize vehicle parking restrictions along two street segments in Council District 10. Resolution states there is an increased problem with oversized vehicles parking along two residential streets on the south side of the I-10 Freeway and north of Adams Boulevard where large vehicles are often parked overnight, constricting travel lanes and creating dangerous situations. Resolution recommends the establishment of oversized vehicle parking restrictions for these street segments. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held October 24, 2018, the Transportation Committee recommended that Council approve Resolution establishing oversize vehicle parking restrictions along the two street segments listed above.
