Hello. I am submitting a letter of support and feedback to the clerk of the Rules, Elections, and Intergovernmental Relations Committee regarding equitably scheduled City Council meetings. Working people who want to participate in their City government do not have the opportunity to attend City Council meetings when they are held in the middle of the day, in downtown LA far from the residents' community. City Council and Planning Dept meetings need to be held during times when working people can attend such as in the evenings and on weekends.

Thank you.
