Actually, Mr. Williams does not staff Rules and Elections Committee anymore. Mr. John White does. Therefore, I'm cc'ing him, so he can be aware of your e-mail. Take care.

To the Clerk of the Rules, Elections, and Intergovernmental Relations Committee, Richard Williams:

I support Council File 18-0045. I want more City Council and Commission meetings being held after 5pm.

I want to be more involved in public meetings where discussions about my city are being debated and decided upon. I, like most people, cannot do that currently working M-F 9a-5p. I do understand there are people who do not work M-F 9a-5p, and I understand th City Council has set business hours, and adding to that would be a change....but not an impossible one.

In order to make these meetings work in everyone's best interests (City council, Commission, & the L.A. Public) I think you would want to make it easier to hear from as many citizens as possible to present a wider range of views on the issues at hand.

Holding these meetings after 5pm when more of the public could attend would be extremely helpful for your City Council, Commission, and for the citizens of L.A.

Thank you for taking the time to read this. I truly appreciate it!

Office of the Los Angeles City Clerk
c/o Mr. Richard Williams
via email: richard.williams@lacity.org

Dear Mr. Williams,

I am writing in support of Council File 18-0045, submitted by Councilmember David E. Ryu and seconded by Council President Herb J. Wasson, Jr.

I hope full consideration is given to this proposal. Meetings that take place during business hours are a barrier to participation by working people, myself included.

If enacted, this proposal will ideally increase community involvement and make access to these meetings more equitable.

Thank you,
Ella Tabasky

Dear Rich,

I am writing to you in support of the above motion to have equitably scheduled LA City Council meetings. Hosting them during the day does a disservice to the many angelenos who would like to meet with our elected officials and to voice our concerns.

Thank you,

Hello Richard,

I want to put my support behind the motion put forward by Jamie Tijerina regarding moving City Council meetings to 5pm instead of 10am. Council File 18-0045

It makes no sense to have city meetings when members of the community cannot attend en mass. Scheduling votes at times when it's known that people will have a hard time attending is an old voter suppression trick and it would be nice if we lead the way out of that darkness

Thank you for listening,
Daniel Leist
