SUMMARY

At the meeting held on March 28, 2018, your Public Safety Committee considered Board of Police Commissioners and CAO reports relative to the grant award for the 2017 ICAC Program in the amount of \$200,000 for the period of July 1, 2017 through June 30, 2018, from the CalOES. The CAO reports that the primary purpose of the ICAC Program is to ensure law enforcement agencies are equipped to quickly respond to, investigate, and prosecute incidents involving the exploitation of children and juveniles through the use of the Internet. To meet these objectives, ICAC funds may be used to enhance investigation of offenders, deliver educational outreach programs, prosecute offenders in federal, state or local courts, allow for the LAPD to serve as a forensic resource to law enforcement agencies within the service area, and support participation in nationally coordinated investigations. After an opportunity for public comment was held, the Committee moved to approve the recommendations presented in the CAO transmittal, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
