

MOTION

The Wilshire Community Police Station personnel agree with businesses and residents that public safety issues exist in the neighborhood and are in strong support for the installation of "No Parking 10pm-6am, Vehicles towed away" signs on Venice Boulevard between Thurman Avenue/Spaulding Avenue and Hauser Boulevard, on both the north and south sides of Venice Boulevard.

I THEREFORE MOVE that the Council instruct the Los Angeles Department of Transportation to immediately install "No Parking 10pm-6am, Vehicles towed away" signs on Venice Boulevard between Thurman Avenue/Spaulding Avenue and Hauser Boulevard, on both the north and south sides of Venice Boulevard.

I FURTHER MOVE to direct the Los Angeles Police Department to work together with the Department of Transportation to enforce the "No Parking 10pm-6am, Vehicles towed away" zone.
