

M O T I O N

I MOVE that the matter of the Continued Consideration of Energy, Climate Change and Environmental Justice Committee Report relative to establishing an annual Citywide oil well and gas facilities compliance inspections program, Item No. 25 on today's Council Continuation Agenda (CF 18-0203), **BE AMENDED** to delete Recommendation No. 3 of the Report and to adopt the following in lieu of Recommendation No. 1:

REQUEST the City Attorney to prepare and present an Ordinance creating an Annual Oil Well and Facilities Compliance Inspection Program to be adopted by the Council and overseen by the Board of Public Works; and, AUTHORIZE the coordination of local oversight with relevant City Departments and external related government agencies that includes real-time air monitoring at new or modified oil and gas facilities prior to commencement of operations, or upon the annual reauthorization of existing operations in close proximity to sensitive uses and the establishment of a new permit type, as described in the May 23, 2018 Office of Petroleum and Natural Gas Administration and Safety (OPNGAS) report, attached to the Council file.
