Dear All:

This e-mail is a request that the City of Los Angeles Department of City Planning, the City Clerk's office, and all other commissions, bodies, and offices, provide me with advance written notice of any and all meetings, hearings, and votes in any way related to the above-referenced proposed project and any related projects/entitlements/actions related to the above-referenced proposed project.

Your obligation to add this me to the e-mail and other notifications lists includes, but is not limited to, all notice requirements found in the Public Resources Code and the Los Angeles Municipal Code. Some code sections that may be relevant include Public Resources Code Sections 21092 and 21092.2.

Finally, to the extent that an advance written request is required for any and all City hearings regarding the above-referenced project to be recorded and/or transcribed, this e-mail shall constitute that advance written request. Thank you.

Sincerely,

Veronica Lebron
