Item Number:

Summary: -COMMUNITY IMPACT STATEMENT- Council File: 18-0301 Title: Hydration Stations / Parks / Municipal Facilities / Feasibility Report Position: Support Summary: Los Feliz has a history of supporting environmentally sustainable solutions and access to clean drinking water. Los Feliz welcomes thousands of tourists and residents to its parks and recreation spaces each year. Water fountains are a necessary feature in ensuring users of these spaces are safe and well. Los Feliz supports the motion for a feasibility study to examine the introduction and expansion of hydration stations, in addition to identifying existing water fountains that could be converted to hydration stations, at parks and municipal facilities in order to promote the use of reusable water bottles and access to clean water.
