GLASSELL PARK COMMUNITY & SENIOR CENTER

September 17, 2019

Los Angeles City Councilmembers,

The Glassell Park Neighborhood Council is registering this Community Impact Statement in support of council file 18-0301.

We support the three purposes of the DWP Hydration Station program including providing public access to drinking water, improving consumer confidence of drinking tap water, and reducing single-use plastic bottle waste. Furthermore, we agree that the plan can, if fully implemented as proposed, succeed at achieving these goals.

Sincerely,

Karin Davalos, President

The Glassell Park Neighborhood Council
