

HEALTH, EDUCATION, NEIGHBORHOODS, PARKS, ARTS, AND RIVER COMMITTEE REPORT relative to the hydration stations at parks and municipal facilities to promote the use of reusable water bottles, identify existing water fountains and convert them to include hydration stations.

Recommendation for Council action, pursuant to Motion (Rodriguez - Martinez):

INSTRUCT the Department of General Services and Department of Recreation and Parks, with the assistance of the Los Angeles Department of Water and Power, to report in 30 days on the following:

1. Feasibility of introducing and expanding hydration stations at parks and municipal facilities in order to promote the use of reusable water bottles and access to clean water.
2. Identification of existing water fountains at parks and municipal facilities and the feasibility of converting them to include hydration stations to facilitate the use of reusable water bottles.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: Yes.

For:
Eagle Rock Neighborhood Council

(Also referred to Information, Technology, and General Services Committee)

Summary:

On June 12, 2019 the Health, Education, Neighborhoods, Parks, Arts, and River Committee considered Motion (Rodriguez - Martinez) relative to the hydration stations at parks and municipal facilities to promote the use of reusable water bottles, identify existing water fountains and convert them to include hydration stations.

After providing an opportunity for public comment, the Committee moved to approve the recommendation contained in the Motion, as detailed above. This matter is now transmitted to Council for its consideration.

Respectfully Submitted,

HEALTH, EDUCATION, NEIGHBORHOODS, PARKS, ARTS, AND RIVER COMMITTEE
