RE: Street Vacation Application #E1401339, Council File 18-0329  
North of Olympic Boulevard and Southeasterly of Albany Street at  
Olympic Primary Center

Dear Mr. Yew:

It has come to our attention that due to the City's new Mobility Plan, Blaine Street was over dedicated by 14 feet in 2008 due the dedication requirement at the time. LAUSD hereby requests your office to vacate this over dedication as part of our vacation application referenced above. A revised street vacation application which reflects this proposed change is attached for your consideration.

Furthermore, LAUSD acknowledges that there are site improvements (landscaping, concrete bumpers, etc.) located in this over dedication area. It is our plan to apply for a Revocable Permit from your Central District Office for these improvements to remain in place.

If you have any questions or concerns, please let us know.

Best regards,
