RE: Council File No. 18-0350

On May 8, 2019, the Housing Committee considered a City Attorney report and Ordinance relative to adding Article 17 to Chapter IV of the Los Angeles Municipal Code to allow tenants to possess pets in publicly-financed residential housing developments. After consideration, the Committee move to recommend approval of the Ordinance. Also, the Committee further recommended instructing the Los Angeles Department of Housing and Community Investment Department, in consultation with the Department of Animal Services, Council District 5, and appropriate stakeholders to prepare guidelines for the implementation of the Ordinance and make said guidelines available to all housing owners and developers. This file is now transmitted to the Personnel and Animal Welfare Committee.
