Dear Eric,

We spoke yesterday afternoon on 5/21/18. You confirmed that my letter was received and was being uploaded to the public record and for the committee members to read.

Now it is 5/22/18, the morning of the Homelessness Committee. There are no letters of opposition posted and the last letter uploaded was from 5/18/18.

Please explain as soon as you have a moment.

Thank you,
Kathleen Davidson
