SUBJECT: Support for Bridge Housing proposal for Schrader Blvd in Hollywood | CF 18-0352

I am a business owner in Hollywood and have seen the impact of the growing homeless crisis play out on the streets of our neighborhood.

I understand the Mayor has proposed a system of temporary bridge housing facilities, spread throughout the city. I am thrilled that one has been proposed for a city parking lot on Schrader Blvd. My colleagues and I support the effort of Councilmember Mitch O'Farrell to take this issue seriously and work toward establishing a place where people experiencing homelessness can find assistance, without having to wait on the streets.

As a business person and member of this community, I support moving forward with this facility to help provide needed shelter to people who are homeless in Hollywood.

With appreciation,
