Summary: The Greater Valley Glen Council endorses extension of LAMC 85.02 restricting the use of a vehicle for dwelling in City areas as prescribed, but asks that the description of dwelling be strengthened to include immediately adjacent to a vehicle in addition to in or on when citing activities indicative of use of a vehicle for dwelling. Additionally, consideration of additional Safe Parking sites be held in abeyance pending the requested reporting from the various relevant departments regarding the current enforcement of LAMC 85.02 and the proposed enlarged enforcement zones surrounding Safe Parking sites.
