RE: SUPPORT – TEMPORARY HOMELESS SHELTER IN KOREATOWN
682 S. VERMONT AVENUE – COUNCIL FILE NO. 18-0392

Dear Council President Wesson:

This letter is to indicate our support for the proposed temporary homeless shelter in Koreatown located at 682 S. Vermont Avenue (CF No. 18-0932). We applaud the City's leadership over the last three years with respect to the issue of homelessness that has affected every neighborhood throughout the City of Los Angeles.

With the passage of Proposition HHH in November 2016 with 77 percent of the vote, and the passage of Measure H in March 2017 with 69 percent of the vote, the public has given us a mandate to solve the homeless crisis in our City and County. Proposition HHH provides for \$1.2 billion dollars in construction funds for supportive housing and homeless facilities, a long term strategy to provide much needed housing. Measure H provides over \$355 million dollars a year in services to complement HHH, providing the much needed support and services that individuals experiencing homelessness need. We also need a short-term strategy throughout the City to get individuals off the street and into permanent housing and services. In order to address the short-term problems, the Mayor has announced \$20 million dollars to build emergency shelters throughout the City, with a minimum of 15 up and running by January 2019. With these shelters will come extra services for cleanups and outreach teams for every neighborhood that provides a site.

According to the most recent estimates, there are approximately 400 homeless individuals in Koreatown, one of the largest densities of homelessness in the City. Most publicly owned land in Koreatown are parks, libraries, and schools, and there are very few options to site a temporary shelter where it is desperately needed. The only available site in Koreatown owned and controlled by the City of Los Angeles is the DOT Parking lot at 682 S. Vermont Avenue. Koreatown needs this shelter, and other neighborhoods like Westwood, Hollywood, South Los Angeles, Mid-City, Studio City, Valley Village, North Hollywood, Van Nuys, and Chinatown are considering doing the same.

Once again, we support the use of the DOT parking lot at 682 S. Vermont Avenue as a temporary homeless shelter to help solve this crisis. Every neighborhood and community needs to participate throughout the City if we are to achieve the mandates of Proposition HHH and Measure H.

Sincerely,

Cheryl Parisi
