Dear Mayor and all LA Councilmen ,

I am writing to you to send my concerns and **strong objection** to the planned homeless shelter on **682 S. Vermont Ave.**

I am a mother of 2 girls and long time residence of this town.

As you can see on the map, there are NUMEROUS schools within 0.5 miles radius.

The area is one of the busiest streets with many pedestrians, residents, businesses , seniors and students.

I am so appalled at this idea of building an emergency shelter without giving any public input before announcing the site.

The shelter will endanger public safety and there was never any environmental impact studies.

Mr. Wesson said there will be 24/7 security around the shelter, but without any detailed plans.

Anyone can make promises however, we are the one who have send our kids to school !

As many of our concerned citizen said, we are not opposing to helping homeless people.

But this shelter location is not the solution and it will only cause more problems.

As we have seen the community uproar in Venice and Irvine, it is shocking to observe Mr. Wesson's dictatorial administration in building this shelter.

I, as a concerned community member, will fight until this matter resolves to save our community , our business, our residences, and our schools.

Regards,

Mun Seo(Lynn and Chloe MOM)
