The City of LA has lost many cases where politicians trample on free speech rights of Angelinos.

"the Second Amendment is there to protect the First Amendment"

The City of Los Angeles has in recent years spent a fortune on legal fees losing one free speech battle after another, most visibly to Michael Hunt, who is African American, and to David "Zuma Dogg" Saltsburg, a Venice street performer whose colorful commentaries at public meetings about event fee waivers and the CRA helped bring an end to those wasteful activities.

In Orange County, Todd Spitzer faced City Council and opposed the homeless tent city plan saying "Over my dead body" (2:00). There are over 17,000 conceal carry weapons permits in Orange County. These permits are valid throughout the state of California, including LA County.

The City Council canceled plans, respecting the wishes of their constituents. THIS is the AMERICAN WAY.

The Chinese community has embraced Bob Lindsey for LA County Sheriff. He will issue CCW (conceal carry weapons) permits for LA County citizens. Right now there are 17,000 CCW permits in Orange County, many who are in Irvine. No one is infringing on constitutional rights of democracy and free speech in Irvine and Laguna Beach, where the politicians respect the people after they said " You're going to build these shelters over my dead body".

No Shelter on 682Vermont 🇺🇸🇺🇸🇺🇸 Remember that the committee will be taking note of where supporters live so they can be the first ones up for a homeless shelter. Walk the Talk. 🇺🇸🇺🇸🇺🇸

No Shelter on 682Vermont Los Angeles City Council President Herb J. Wesson, Jr. homeless drug addict shelters in front of elementary schools, is clearly MORE DANGEROUS than arming teachers with guns. So why is Herb Wesson doing this to us? WITHOUT ASKING US IF IT'S OKAY? BECAUSE WE'RE THE WRONG SKIN COLOR!

No Shelter on 682Vermont The shelter on Vermont is supposed to be for drug addicts, not mothers and daughters. And is right across the street from an elementary school and an elderly community! Stop lying and hiding Herbie! You mismanaged the process like no other!

No Shelter on 682Vermont Gerrymander Wesson, the best thing you can do is open up the first shelter next to your house at 4600 West Washington Blvd, which is a much better location. Right now you are promoting pseudo-compassion on the backs of others. It makes your supporters look bad, as well as anti-democratic. The location at 4600 West Washington is perfect. Everyone agrees on this. Link is below.

No Shelter on 682Vermont Its very simple. Everyone who is for the shelter, open one up in your neighborhood. Herb Wesson, no one takes you seriously because you remove homeless from your own neighborhood of Ladera Heights. We have testimony from homeless that are removed from your neighborhood. So it's time to STOP LYING and STOP HIDING!

No Shelter on 682Vermont No one can read it. They're out of free article views. Btw, there was a huge rally yesterday in Los Angeles calling for your impeachment. 80 year old grandmas were holding signs that said " Herb Wesson, Stop Lying, Stop Hiding". So when will you stop lying and hiding?

No Shelter on 682Vermont Nobody is protesting Kaiser. What many are protesting is YOU and your pre-civil rights era disenfranchising and gerrymandering tactics. EVERYONE SEES THIS outside of District 10. You are making many unregister from the Democratic party.

Sebastian Montoya Betancourt Making is a powerful word, I doubt he's making anyone do anything. Now, if people are leaving the democratic party because he's teaching them something different and they choose to change, I don't see that as a bad thing. Protesting emergency honeless... See More

No Shelter on 682Vermont People are protesting the lack of democracy and due process from the Democratic party. This is for a neighborhood that voted 80% for Barack Obama. If they can do this to their own voters, imagine what they will do to their enemies. This party is no longer the party of Barack Obama.

No Shelter on 682Vermont Look at what Los Angeles City Council President Herb J. Wesson, Jr. does to his own voters. Gangs are driving out South LA families and residents simply for their race. Herb does NOTHING. All he has to do is support conceal carry permits, and his constituents can defend themselves from gangs. Yet he does NOTHING. He doesn't even live in District 10.

Raymond Kim 🗨️ Herb Wesson is against arming teachers, but is FOR putting drug addict homeless shelters in front of elementary schools?

How are you for child safety? Your reputation is finished. Your office needs to know their future is pretty much over now that their futures are tied to your reputation. Way to stab your workers in the back Herbie.

No one in the westside, beverly hills, east la, the valley will ever vote for you for mayor now. No one wants their kids growing up next to a drug addict homeless shelter. haha garcetti set you up to take the heat. What a sucka you are
