SUBJECT: FIG + PICO CONFERENCE CENTER HOTELS - NOTICE OF PUBLIC HEARING FOR PROPERTY AT 1240-1260 SOUTH FIGUEROA AND 601 WEST PICO BOULEVARD

This is in response to your June 22, 2018 Notice of Public Hearing for the proposed mixed-use project located at 1240-1260 S. Figueroa St. and 601 W. Pico Blvd, Los Angeles, CA 90015, also known as the Fig + Pico Conference Center Hotels Projects. LA Sanitation, Wastewater Engineering Services Division, has received and logged the notification. LA Sanitation (LASAN) previously responded to the Notice of Appeal Withdrawal on May 10, 2018 for this project. Upon review of the most recent submission, it has been determined that no additional hydraulic analysis is necessary due to no changes in the wastewater conveyance system. As such, the previous response is still valid. Please notify our office in the instance that additional environmental review is necessary for this project.
