Greetings Honorable Councilmembers:

As a 43 year resident of the community adjacent to the Westwood and Sepulveda Expo Light Rail stations, I am writing to you in the hope that you will consider my **STRONG SUPPORT** for the modifications to the Exposition Corridor Transit Neighborhood Plan (ECTNP) unanimously approved by the Planning and Land Use Management Committee (PLUM Committee) on June 28, 2018 at its regular meeting. These modifications mirror the Planning Department's October, 2017 recommendations: recommendations which resulted after 4 years of careful analysis and community outreach.

In brief, **I STRONGLY SUPPORT the following specific modifications:**

- **Establishment of the Neighborhood Mixed-Use (NMU) Zone proposed by CD5 for properties on Pico Boulevard between Sepulveda Boulevard and Overland Avenue.**
- **Removal of rezoning for properties on Exposition Boulevard between Military Avenue and Kelton Avenue.**

Thus, **I urge you in the strongest terms to follow the PLUM Committee's recommendations by voting to approve the ECTNP with the crucial modification's briefly noted above.**

With respect, I thank you for your consideration of my views.
