Summary: The Arroyo Seco Neighborhood Council(ASNC) supports Motion 18-0467 Neighborhood Council System Reforms and specifically emphasizes its support for the following provisions: • Holding all NC elections on the same day ONLY if the City can adequately staff such elections. • Requiring that DONE and the City Clerk develop a workable system for online registration and find a way to allow voters who are already registered at their home address for national, state, and local elections to be registered to vote at that same address for NC elections without the need for further registration. Voters do not have to register separately for City, state, and national elections - Why can't that single registration apply to NC's? • Instructing the Department of Neighborhood Empowerment to: • Assist Neighborhood Councils with accessing shared space in City facilities, as envisioned in Council File 16-0298. • Develop an ongoing compendium of best practices generated from Neighborhood Councils and share those on a periodic basis with all Neighborhood Councils and include 'how-to guides' for accomplishing those best practices. • Develop point of contact lists for key city departments and agencies and share those lists with Neighborhood Councils. We thank Councilman Ryu for this motion and encourage further efforts to improve the Neighborhood Council system.
