Item Number:

Summary: The Greater Valley Glen Council supports the recommendations made in CF 18-0467 on Neighborhood Council Subdivision Reform but with these caveats: ● No new neighborhood councils should be created by subdivision or otherwise until the issue of equity funding of neighborhood councils, caused by the wide disparity in council sizes, is addressed and resolved. ● The 10,000 resident minimum size should be additionally conditioned with a demonstration of a unifying commonality in the new council.
