**Comments for Public Posting:** I offer input on the NC Youth position as there is pending ordinance development: A) second semester 9th grade or 14 years of age upon taking office. B) status as advisory vote on NC matters dealing with contracts or binding efforts of NC, unless the position representative is 18 years of age. C) chairs committee or delegates key youth stakeholder to preside over youth oriented committee meetings to address youth specific matters in more detail than can be conducted in general NC meetings? D) ensures succession of leadership for the position by orchestrating subcommittee on elections thereby providing an orderly progression of prepared youth for NC leadership. E) orchestrates and is receptive to leadership guidance from elder NC members outreach and input opportunities by way of the youth committee. F) introduces as agenda item or introduces youth representatives to speak on matters pertaining to youth or young people specifically and on matters of relevance to NC and community in general. .... I offer the aforementioned information as adding to the discourse on establishing generic guidelines for the NC Youth position. I served as a charter NC member with Westlake North NC and as charter and bylaws forming committee member for this and Watts Neighborhood councils. I trust the foregoing is helpful.
