Re: **Stakeholder Definition Must Take Effect for 2019 NC Election Cycle**

Dear Councilmember Ryu,

I want to first thank you for your efforts to reform the Neighborhood Council system, and I appreciate your taking the initiative on this issue.

However, I have to say I was deeply disturbed to learn that your motion was altered yesterday so that the revised version of the stakeholder definition will not take effect until 2021. This is not acceptable. **We need the new stakeholder definition to be in place for the 2019 NC elections.** I urge you to amend the motion so that the new definition will take effect immediately.

Thank you for your time.

Sincerely,

Casey Maddren
