

DAVID E. RYU
COUNCILMEMBER, FOURTH DISTRICT

December 4, 2018

Dear Neighborhood Council Friends and Colleagues,

Since being appointed Chair of the City's Health, Education and Neighborhood Councils Committee, I set out to review the current issues facing the Neighborhood Council System and hear from stakeholders about the challenges they face. After hearing from you, I introduced a motion ([18-0467](#)) that reflected the input received and instructed city staff to report back to the Committee with analyses and recommendations on the proposed reforms.

This far, we've received dozens of neighborhood council community impact statements, numerous letters and emails from stakeholders, and reports and recommendations from the Board of Neighborhood Commissioners.

The Health, Education and Neighborhood Councils Committee will be considering those recommendations at next Tuesday's meeting (details below) and invite you to come share any additional thoughts or recommendations that your neighborhood council may have. Additionally, I would like to encourage you to circulate this invitation to local advocates and stakeholders who may be interested in contributing to the discussion.

Meeting Details

Time: 1:00PM

Date: Tuesday, December 11, 2018

Location: City Hall, Room 1010, 200 North Spring St., Los Angeles, CA. 90012

Thank you for your continued service and contribution to the City's neighborhood councils reform process and I hope to see you next week.

Sincerely,

David E. Ryu
Councilmember, 4th District
